6 Because the last years sanction was treated as an outright grant, it does not necessarily follow that this years grant shd be similarly dealt with —

From the Dy Comrs letter, it is clear that the last years grant was not fully utilised before the end of the year —

A detailed statement of the expenditure incurred out of the Govt contribution in 28-29 and the estimated outlay in 29-30 may be called for with a view to see what amount is available for works during the current year, out of last years money and how much more Govt aid may be required supplementing the works to supplement the Dt fund share of cost. The Govt grant cannot be appropriated for the general purposes of the Dt Fund.

GEN. & REV. SECT. 2085 4 NOV. 1929 L. S. G. BRANCH

FROM

C. S. KUPPUSWAMIENGAR, ESQ.,
Dy. Commr. & PRESIDENT, DISTRICT BOARD,
CHITALDRUG DISTRICT.

V. P. 18-29-8

To

B. Narayanaswami Iyengar, Esq., B.A., B.L.,
SECRETARY TO THE GOVT. OF HIS HIGHNESS THE MAHARAJA OF MYSORE,
BANGALORE.

Sir,

In forwarding herewith a copy of letter No. WAD. Mis. 391 dated 24th October 1929 received from the Comptroller stating that orders of Government are necessary to give as an out-right grant, the sum of Rs. 15,000 sanctioned in Govt. order No. 1483-1500/V.P. 18-29-2 dated 28th August 1929 under Drinking Water Wells Fund for combating guinea worm disease in the District, I have the honor to request that necessary orders of Government may kindly be obtained and communicated to me, as the balance available out of the previous year's grant has been almost exhausted and as many as 49 well works are in different stages of progress and payments have to be made on their account.

I beg to state that the grant for Guinea Worm work for 1928-29 has been ordered to be treated as an out-right grant in Govt. order No. C6-10/San. 17-28 dated 9th January 1929. For the same reason, it is requested that the grant sanctioned for the current year also may be similarly treated and the amount ordered to be placed at my disposal at an early date as also the additional grant applied for in this office No. C. 14/29-30 dated 5th September 1929 under the circumstances explained therein.

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner & President.

Letter No. WAD Mis. No. 391 dated 24th October 1929 from the Comptroller in Mysore, Bangalore to the Deputy Commissioner, Chitaldrug District.

With reference to your letter No. C. 14/29-30 dated 18th September 1929, requesting to place the sum of Rs. 15,000 under Drinking Water Wells Fund for combating guinea worm disease in the District during 29-30 at your disposal &c. I have the honor to state that orders of Government are necessary to give the amount as an out-right grant during the current year, as the order re: the Rs. 20,000 paid during 28-29, can be made applicable only to that year.

As the amount of Rs. 5,000 for ordinary well works is generally payable to the several village panchayats &c I request that orders of Government may be kindly obtained in case you want that amount also placed at your disposal as an out-right grant.

Copy

Deputy Commissioner and
President.

To R. Ranga Rao, Esq., B.A., B.L.,
Genl: SECRETARY TO THE GOVT. OF HIS HIGHNESS THE MAHARAJA OF MYSORE,
BANGALORE.

Sir,

14/12/29 SD

Rs 20,000 for Guinea worm wells.)
5,000 for wells in other parts.)

In reply to your letter No. 4064 V. P. 18-29-15 dated 6th December 1929 calling for a statement of expenditure incurred out of the Government grant of Rs 25,000 sanctioned for Drinking Water Wells during the year 1928-29 as detailed in the margin, I have the honor to submit herewith a statement showing the expenditure incurred out of Government contribution for 1928-29 and to state as follows:-

It will be seen therefrom that 54 guinea worm well works aggregating Rs 53,448 have been sanctioned against which an outlay of Rs 19,138 has been incurred, A sum of Rs 1,938 has been also spent for meeting the requirements of the Sub Assistant Surgeons on guinea worm duty and pay and allowances of the Sub Engineer. The total expenditure so far is thus Rs 21,076.

As regards the anticipated outlay during the current year, it may be estimated at about Rs 20,000 for outlay on wells and Rs 5,000 on account of pay and allowances of the Sub Engineer as per Government order No. G. 127-30/Sany. 39-27-21 dated 3rd July 1929 and also to the adjustment of charges incidental to the employment of the Sub Assistant Surgeons for guinea worm work as per Government order No. G. 307-10/Sany. 39-27-23 dated 9th July 1929.

Further, it may be stated that even with the sanctioned allotment of Rs 25,000 it will not be possible to sanction fresh works during the current year, on account of guinea worm wells as the entire allotment for this purpose will have to be made available for completing the well works which have been already undertaken, the District Board finding funds to the extent of nearly Rs 12,600 to push on the works to completion

As regards the funds that the District Board may be expected to spare during the current year for the above works, I may add that a sum of Rs 8,000 may be made available to supplement Govt. grants from out of their budget provision of Rs 18,000, the balance being reserved for village wells and meeting the expenditure on incomplete works of the District Board.

Under these circumstances, I request the favour of early orders being passed in the matter of placing the funds at my disposal at an early date.

As regards the allotment of Rs 5,000 sanctioned for other ~~works~~ *wells* during the last year, and referred to in para 1 above, the same has been spent on works and the bills therefor got pre-audited by the Comptroller.

I have the honor to be,
Sir,
Your most obedient servant,

M Cancellapse
